2. Traditional dog sledding starts around 1:00–2:00 PM. This activity lasts approximately 30 minutes. This is our most popular outdoor activity—don't miss this amazing opportunity! Come and meet our dogs, and let our experienced mushers guide you on a comfortable and safe ride.

On this tour, our musher will drive one large sled that can accommodate up to 6–7 adults at a time. Dash through snowy trails across the frozen lake on an exciting yet cozy ride.

3. The city tour starts around 2:00–3:00 PM after dog sledding. The bus will take you to the main monuments and attractions. Experience the true northern culture that Yellowknife has to offer.

You will visit the Heritage Museum and the Northern Frontier Visitors Centre, where you can receive a “North of 60” certificate and a Yellowknife pin. You will also enjoy a scenic drive through the unique downtown core to the Old Town historic district.

We will stop at Pilot’s Monument, where you can climb to the top and take in the vast surrounding landscape. From the top, you’ll get a great panoramic view of the shoreline of Yellowknife Bay, as well as the city skyline—one of visitors’ favorite sights. This location is a popular spot for landscape photos and portraits.

Our experienced tour guide will point out attractions and share stories about the history of Yellowknife.

Will drop off back to hotel after city tour.
